Speedrail: Milwaukee's Last Rapid Transit? (Interurbans Special)

Synopsis

Speedrail was the last remnant of Milwaukee's once vast and proud interurban rail system, begun by the Milwaukee Electric Railway and Light Company in the early 1900s. This is the dramatic story of Speedrail and its vain struggle to stay alive, profusely illustrated with both color and black & white photos, map, timetables, and tickets of the era.

very good' it answered a lot of questions I had concerning this operation and the NMRA wreck that ended the railroad. Then too the line was a Pig in a poke when they bought it and like a lot of other places in those days the freeway interests wanted it gone so they could use the right of way and sell more cars. very good book that need to be reprinted as this is an era of streetcar history that needs to be told .
