Neymar: The Making Of The World's Greatest New Number 10

Synopsis

Neymar da Silva Santos Júnior is the new global soccer superstar, already acclaimed as "the next Pelé." He is the player everyone wants to watch in the 2014 World Cup in Brazil, his home country. Luca Caioli reconstructs Neymar's life and career through exclusive private access to his friends, family, coaches, teammates, advisors, and fans. This is the first book about a new world soccer icon. Luca Caioli is the best-selling author of the biographies Messi and Ronaldo. A renowned Italian sports journalist, he lives in Spain corresponding for SKY Italia and Corriere della Sera.

Customer Reviews

Luca Caioli is the bestselling author of Ronaldo and Torres. A renowned Italian sports journalist, he lives in Spain corresponding for SKY Italia and Corriere della Sera.

this was a good book, but it didn't tell much from his point of view. I would have liked it if he talked about how he felt about what was going on. But, it still is a great book about the greatest new number ten.

Really good interesting book Fun to read and said a lot about Neymar and his story. Luca Castillo is a great author

Great book! Just not a lot of on field POV

Good information

grandson liked it

best book ever

It doesn't really talk about just Neymar's life.

Brazilian sensation Neymar is quite the enigma. Despite being the victim of an injury in his own country, Neymar has many more years to live up to his potential for club and country. Arguably the best in the world, we may be making the argument that he was the best ever ten years from now. The comparisons to the great Pelé may finally come true. Luca Caioli effectively unwraps the backstory that has made Neymar who he is today, the captain of the Brazilian National Team and one of the brightest stars in La Liga. I have to say I was quite excited to hear that he would be lined up with Lionel Messi, which is a match made in football heaven. Caioli is one of the best football biographers, having already tackled the stories behind the aforementioned Messi and Real Madrid superstar Cristiano Ronaldo. He handles every step of a player's life and how those events affected their path to footballing stardom. Neymar's story is a worldly one, starting off in one soccer hotspot (Brazil) and ending in another (Barcelona). He has gone from being a single country's treasure to being a global superstar every weekend. It was quite an impressive journey and Caioli did a fantastic job covering that in just 242 pages. The book is very readable and contains lots of one of a kind interviews. Each provides insights into Neymar's career that you won't find anywhere else. It is a book that is well done in every regard.
