Ranger Handbook

Synopsis

100% of this book's proceeds will be donated to two military charities: the Special Operation Warrior Foundation and the Sua Sponte Foundation. The US Army Rangers are the world's premier light infantry fighting force. This book contains all of the materials of the official Ranger handbook carried by all Ranger school students. This is a large desk-top/bookshelf (8.5x11") sized copy. Unlike other versions of this book for sale (check their feedback), this book is properly formatted with text large enough to actually read!

Customer Reviews

Husband of Jessica- What an amazing book. For a non military person like myself this book is a study guide for practical life experiences. It's purpose is military application, however there is a ton of information to help with disaster preparedness/survival for the regular guy like me. Well worth the money. Would make a great gift for anyone wanting to enter the military too. Buy it, you will not be disappointed.

Probably the best US Army training manual ever published. This version has bold, sharp easy to read text. All kinds of information is in this book/manual from knots and rope techniques to small unit tactics. Anyone with a passing interest in US Army Rangers or special forces would enjoy it.
