Customer Reviews

This extraordinary workbook is helping me go deeper into the truth behind the words.

This book is to be used with the Shariyat-Ki-Sugmad Book One. It is an excellent resource for understanding and spiritual growth. Each page contains a spiritual exercise that gives a seeker guidance on how to connect with their soul and find their way home to God.

This book can be a tremendous aid in speeding one back home to God. The spiritual exercises can be literally out of this world.

Thank you!

wonderful book helps to rememebr passages with the Shariyat!!!

FOREVER THANKFUL AND GRATEFUL!!!!

I use it to study. Great

I didn't buy it on but bought it at an Eckankar Seminar. It's a book I love. However I might not recommend it if you're new to Eckankar as it has many spiritual exercises and uses some new terms, instead maybe:Ã Â Past Lives, Dreams, and Soul TravelÃ Â . It's become a favorite of mine with 122 new spiritual exercises. I've had amazing inner experiences with this book...so it's an adventure!
