Tenemos este libro desde los 2 aÃƒÂ±os de hija, sin embargo lo ha disfrutado acercÃƒÂ¡ndose a los 3 aÃƒÂ±os. Es maravillosamente entretenido, porque permite jugar con los colores, cantidades, formas. Es un juego lleno de creatividad. Lo recomiendo 100%.

My kindergarten kids(and I)absolutely love this book. It's fun and it keeps them engage from the

first page to the last one. I use it in a Spanish as a second language class and it is really easy for the kids to understand and learn new vocabulary. I love this author!

My kids love this book

This is a great book for toddlers; highly recommend it. One of the corners of the book arrived damaged but reimbursed me for it! That's what I call great service.

I was not expecting my 14 mo old to like this book yet but he does! We have to help him out with the pushing/blowing/etc... but he gets excited everytime we turn a page and something changed.

I got this to read with my 3 year old who is in a dual language program at school and it is by far his favorite of our spanish books. The interactive nature of the book has him responding to commands and picking up more spanish vocabulary than the average spanish storybook.

Excellent book!! super fast service!!! very happy with my purchase....highly recommended!!

Love it. Such a fun book. I love that they have it in Spanish. I got it for my two year old and she loves it!
