## Customer Reviews

Chip Davis is an excellent composer. I wish that some of his more recent works were written at the the level presented in this book and not so dumbed down. The pieces in this book are close sounding to the orchestrated arrangements on the CDs.

This is my favorite of all the Mannheim Steamroller Christmas books for piano! The music is very playable for anyone who is at the intermediate to late intermediate level.

love this

I have been a fan of Mannheim Steamroller since... well, ever since I can remember! My family always played the cassette tapes during the Christmas Season, and we've purchased every album as they've come out! I'm a pianist, so these piano books bring me even closer to the music!

I love this piano music. The arrangements sound almost exactly like the music on the CD which I love. They are for more advanced piano players, not beginners. It's nice to have music for well-known songs that sound a bit different from the ordinary.

A winner for pianists! Great arrangements.

This book is amazing! I love Mannheim Steamroller. CANTIQUE DE NOEL and TRADITIONS OF CHRISTMAS are worth the price. Highly recommended for advanced players. It's not for beginners.

I have really enjoyed playing the songs from this book. I have used this book a lot! The songs are fun!
