~THE VAMPIRE GIFT 4: DARKNESS RISING~A dark power is rising. It will sweep through the vampire covens and leave none untouched. Those of The Haven face a dire choice: Rebellion, or unity. Resistance, or strength. Shifting alliances threaten everything the Sorens have built. Betrayals lurk in the dark. The Narwhark is a terror unlike any known before, but it pales in comparison to the danger coming from The Crypts. Customer Reviews

This book was so full of action and suspense. I cannot wait for book five to come out. All the characters have grown by leaps and bounds since the first book in the series.

This one was non stop, high yield, unexpected adventure. I loved every twist and turn. The characters are evolving beautifully and I'm excited to read the next book. I highly recommend

I found myself being unable to wait to read the next page. .. to find out what happened or what will happen next! Some characters deserved their fate while the others... I don't know. I don't know!
