# Made In Italy

## Synopsis

On his hit Cooking Channel show *David Rocco's Dolce Vita*, David and his wife, Nina, travel around Italy, exploring the very best foods of every region, making friends wherever they go. From his modern flat in Florence to the lemon groves of the Amalfi coast, David shares recipes for the local favorites he encounters, including a refreshing Caprese salad with avocado, weeknight chicken breasts with fragrant rosemary and chili flakes, a Sunday meat stew flavored with tomatoes and red wine, and the easy apple-yogurt cake he prepares with his twin daughters. *Made in Italy* features 140 simple, rustic Italian dishes that any home cook can accomplish—all with David's signature style. With photographs of gorgeous food and sweeping images of the Italian countryside, this book will inspire cooks across America to bring Italy to life in their own homes.

**David Rocco's Recipe for Castagne Umbriacchi (Drunken Chestnuts)** I love roasted chestnuts. In Italy, you can tell when fall is thinking about turning to winter by the smell of roasting chestnuts wafting from the little carts on the street. They're a tradition at Christmas. When friends drop in, I like to make this treat. If you think that roasted chestnuts are a thing of beauty, wait until you taste what happens when they spend a little time hanging out with some rum. Serves 4

24  
roasted chestnuts, peeled 2 tbsp (30 mL) sugar 1/2 cup (250 mL) rum, to taste Roasting chestnuts is easy. Make a slit in them so they don't explode as they cook. You can put them in an oven at 400°F (200°C) for about 20 minutes. Or if you have access to an open

fire, that's even better. You can buy a special pan to cook them in that has holes in the bottom to let the flames get right in there, which adds a smokiness to the nuts. Or you can roast the chestnuts on a stovetop in a dry frying pan on medium-high heat, shaking the pan every so often. It should take about 30 minutes. Once they've been roasted, let them cool just enough that you can handle them and peel them. Put the peeled roasted chestnuts in a large mixing bowl and add the sugar and rum. Now you're going to flambé this, so be careful.

Here's how you do it: Light a match. Tilt your bowl so that some of the rum is exposed to the flame. It will light up, and the alcohol will burn off fairly quickly. While it's flaming, stir continuously to dissolve the sugar, until the rum has reduced to a thick syrup and the flame has died out. Serve immediately.

I bought this for our 25 yr old son who lives out of state. Being as we are Italian, he was really missing home cooked food...I watch David Rocco's TV show, because the recipes are exactly what we were raised on. Simple. Inexpensive. Delicious. As my son paged through his new book he was so happy, as he said, "I remember that recipe!" Now, he feels like he can cook like his mom, grandma & great grandma!

Another great cookbook by David Rocco. Love his books and his writing. Always makes you feel like you're part of the family or his friend. Easy to follow and tasty recipes.

Love, love, love David Rocco's fresh and easy style of cooking.

Great inspiration from one Italian to another. This book is simply exploding with recipes easy enough to follow and execute with success. Glad I can share my heritage with my family.

David's recipes are readable but some of the ingredients are impossible to locate here in the US--be prepared to substitute. I have made several and have not been disappointed especially with the simple pasta sauces.

I love his receipes because they are easy ,fast and delicious. I also purchased his first book. Highly recommend. A cook of any level could easily recreate these recipes.

Great pictures, easy to follow recipes that are fantastic. I love David Rocco ! If you are looking for authentic Italian recipes, this is the cookbook.

Wonderful recipes, beautifully written and illustrated. Going through this book places me right in Italy, or at least makes me want to go back!
