Greg and Susan Finke founded Dwelling 1:14 to help Jesus-followers connect in their neighborhoods, workplaces and schools for discipling and missional living. They offer coaching, consulting and training experiences for congregations and their leaders in discipling, living missionally and multiplying missional communities. Greg and Susan enjoy life as neighborhood missionaries in League City, Texas. www.dwelling114.org

Simple yet powerful and biblical, Greg articulates how we as the Church can once again renew our mission of making disciples of all nations, living as missionaries to our own neighborhoods! I'm a pastor and I've taken my men's group through this and they were excited at how easy it was to understand and follow!

We are using this book to help our congregation become more missional. Rev. Finke's book is easy to read but pushes Christian into action. There are also discussion questions for 7 weekly sessions

in the back of the book. I highly recommend this book.

Great practical ways to be a disciple of Jesus!

Greg has shared his faith, his heart and his passion. In a simply read approach and informal format, he makes us feel both the importance of answering Jesus' Great Commission and the ease and joy in bearing witness to "make disciples." While Finke speaks strongly, I did not feel judged by his words. He lifts up God's Word and brings fine approaches to sharing the Gospel. I recommend this to all Christian readers and leaders.

Book was quoted in a seminar so I wanted to read all about it.

I'm going through this book with my community group, and it's been great! We're learning so much!

Using in a Bible study. Very good and everyone enjoying it!

Greg Finke's biblical approach to mission work is simple and profound. Jesus is already bring people to us. We just have to love them as Jesus did and He will do the rest.
