## Customer Reviews

exactly what I need for my next performance of The Gondoliers

I was not sure if this score was simply piano vocal, with no dialogue so I bought the libretto as well as the score. But to my happy surprise the dialogue to the operetta is included.

Performing it at my college, great opera :)

Great

G Schirmer is a great score. Just wished they hadn't put a sticker on the cover. It did not come off easily and takes away from the aesthetic.

The Schirmer edition is a much closer match to the orchestral score for rehearsal and performance purposes. I received 3 new copies for a very good price.

The score was in perfect condition, VERY clear and easy to read. beautiful neat print. I got it very

quickly after i ordered it. If you are doing a production of Gilbert & Sullivan's The Gondoliers, this is a GREAT score to use !

Useful to have lib and score all in one book. There are a number of errata that you need to correct, which explains the 4 stars only.
