Book by Plus, Raoul

This book meets all my expectations. It is just as described on the site, was in the condition just as described and arrived right on time as promised.

Raoul Plus (1882-1958) was a Jesuit priest who wrote many other books, such as [Holy Simplicity](#), [How to Pray Always](#), [Mary In Our Soul-Life](#), [The Little Book of the Blessed Virgin Mary: Model of Christians](#), [Cause of Our Joy](#), etc. He wrote in the introductory section of this 1935 book, "To be a 'Christ' is the whole meaning of Christianity. To radiate Christ is the whole meaning of the Christian apostolate. But to be a Christ for one's own personal benefit is not enough; we have to Christianize those around us---in a word, we have to radiate Christ. The following pages are intended to suggest to souls that are athirst for apostolic conquest, the means by which their apostolate may be made successful. What method must we use to radiate Christ? Well, let us ask ourselves what method our Lord Himself used to gain the adherence of His contemporaries... the means He chose are the very means that I would do well to make my own." (Pg. 5)
