Customer Reviews

My little brother is so fascinated with random facts. Facts, facts, facts! He's always looking up new ones to share with everyone. Now, he gets a new one every day! He loves this fact a day calendar. I'll definitely buy him one every year. Some of the facts are so bizarre! I've never even heard of a lot of them. That makes it all the more exciting, not only for my brother, but for all of us, because he likes to read them off to us every day. I'm so happy with this calendar, and so is my little brother!

Fun daily fact is something to look forward to. Some of the facts are disappointing or don't really seem like a fact, but it's still a fun daily calendar overall.

I've had lots of fun this year reading the different daily OMG facts. Some were funnier than others, some applied more to our lives. Will likely purchase another one in a couple of years.

I bought this for work & everyone seems to enjoy it. I haven't fact checked all the facts, but they seem to be legit & based in truth.

I will be buying this calendar as long as they make it. Every day, I am amazed by a wide variety of facts, many of which I share with others. Peeling off a new page and reading an interesting fact is a nice way to start the day.

Not all of the facts are facts. I've found four "facts" that are incorrect, and it's only February.

Bought this as a gift for a friend and they totally loved it. Lots of interesting and fun facts to share too!

Great
