It's Ukulele Time: Learn The Basics Of Ukulele Quickly And Easily By Playing Fun Songs

Synopsis

This simple and effective approach to learning the ukulele will get you playing right away. Start with the absolute basics like holding the instrument and in no time, you'll have fun strumming the chords to all-time favorite songs. Melodies and lyrics are included, so you can sing along with friends and family or play duets with other musicians. The clear layout, large illustrations, and detailed photos make learning easy. Whether you are teaching yourself or learning with others, this is the best introduction to playing the ukulele. Songs include "Aloha Oe," "Clementine," "Down in the Valley," "Over the Rainbow," "When the Saints Go Marching In," and more!

Customer Reviews

Very basic. I went through the book in two days. It did its job though. I thought about getting the next book up after I finished this one, but I read that a couple of the songs were the same. Not wanting the repetition I found an awesome ukulele sight where someone had taken popular songs and put the chords to them. It's free and everything.

This book is okay. There's not a whole lot to it but for the price I guess you can't really expect much.

a great starter book.
