Here are two more of the world's best loved operas bringing the popular Black Dog Opera Library to a total of 12 titles. Each includes world-class recordings of the complete operas on two CDs bound in protective sleeves inside the covers of an informative full-color 144-page book. --This text refers to an out of print or unavailable edition of this title.

Giuseppe Fortunino Francesco Verdi was an Italian Romantic composer primarily known for his operas.

I love the Black Dog series of opera books. They are both interesting and helpful. If this can help Opera stay viable and bring a new generation on board I say hurrah! Arguing about whose version of this opera is best misses the point. The version included is very good, Price and Raimondi , how can you go wrong? The background information on the opera and composer is helpful. The Libretto

contains instructive notes throughout. All in a nice self contained package which easily sits on your shelf. Buy one for your wayward teenager, your dissolute college student. Inspire them. Cajole them. Just get the earbuds off their head and the cellphone out of their hands!

Love these books! Fabulous! A little libretto, quality performances, artists, orchestras, and conductors plus great CDS!

Finally I've found what I needed. In this packaged set you get the CD of the opera and the libretto in both English and Italian. You have the synopsis of the story of the opera and some information about Verdi. If you ever wanted to sing along with an opera this is perfect.
