Abby's Pink Party (Sesame Street)

Synopsis

Abby Cadabby is feeling blue because it's her birthday and no one remembered! Even a walk around Sesame Street with Elmo doesn't cheer Abby up. But there's something going on behind the scenes, and toddlers will figure out just before Abby does that there's a happy and pink surprise waiting for her right inside her own front door: Grover, Murray, Zoe, Big Bird, and Cookie Monster are giving Abby a birthday party after all! A die-cut flap at the end reveals a BIG homemade birthday card!

Customer Reviews

We love all Sesame Street books. They are well made with lots of flaps that keep my daughter entertained while I read the page. They make a great gift and come at a great price.

My little toddler loves this book. There is a page where all of Abby's friends say "surprise!" My girl loves to shout "surprise" when we get to that page.

My daughter loved this book. There are lots of small details for her to notice like hidden characters' feet sticking out. She loves the "real? birthday card at the end. Bonus: the only place I have ever seen Abby's mother pictured.

My grand niece loved it. So did I!

My kids are going through an Elmophase. This book is sturdy, has cute pictures, and teaches kids about feelings and being a friend. Only one flap at the end, which is fine (since our youngest had been ripping flaps off!) Would be nice if it was a little bigger, but overall a great book.

We have read this book probably a hundred times and it never gets old. My daughter got this several months ago (she is 2 this month) and she has about 300 baby board books and many of them are Sesame Street. This is one of her favorites and she asks for it more than most. Often times she will ask for it as soon as she wakes in the morning or from her nap and she loves to flip through the pages on her own while I am changing her diaper. It is very cute and I am glad we purchased it for her.

My kids love this board book. It's sturdy and has a lot of colorful pictures to point out. It's great for any Sesame Street fan.
