My daughter is doing her Red Cross babysitting course and loves this book!

Taught me everything about babysitting. From diaper duty to bedtime routines, I would definitely recommend it to anyone who wants to be a babysitter. Especially beginners

Great babysitting resource! My kids love it.

12-yr-old daughter really likes this book. She likes the recipes, games and activities. This book helps make baby sitting easier.

Bought this for my daughter who is becoming a popular sitter in our community. She found it to be super helpful and was so excited to be reading up on her new found profession.

Purchased this book for my pre-teen granddaughter who is a babysitter-in-training. I've yet to find out how well she likes it but it looked like a great little book.

My 11 year old loves all the guides from the American Girl line and this was no exception. If you have a tween who wants to babysit one day this is a great starting point.

great gift for granddaughter, great service
