Kingdom Quest: A Strategy Guide For Teens And Their Parents/Mentors: Taking Faith And Character To The Next Level

Synopsis

With 25,000 copies sold of Raising Kingdom Kids, Tony Evans succeeds in equipping kingdom parents in shaping the next generation. Now Dr. Evans turns his focus to kids, with a practical guide for teens ages 14 and older to use under the guidance of a parent, mentor, or teacher. Every aspect of the full-color, beautifully designed Kingdom Quest Strategy Guide conveys energy that attracts teen participation and offers relevance to feed their seeking souls. Dr. Evans instills kingdom virtues in teens, highlighting wisdom, integrity, faith, resiliency, purity, and service. Each chapter, called a "Kingdom Key," contains Scriptures that allow teens to question, reflect, journal, and apply truth to their lives. An added quiz with accompanying profile increases discussion and accountability when shared with a group. Kingdom Quest Strategy Guides are available for kids in three different age ranges, using custom, age-appropriate content and design to equip children and those who lead them. Teens will grow closer to the Lord, their Christian friends, and those who lead them using this powerful tool.

I highly recommend this book. I brought it for my 15 years old son, he loved it so much I ended up purchasing several more for his youth group!

Great bible study. If you have different ages of kids all the books go well together.
