Customer Reviews

ICC is a leading organization dedicated to developing a single set of comprehensive, coordinated national model construction codes. To date, 48 U.S. states have adopted various international codes from ICC.

I purchased this book to assist me in passing the test to obtain my state contractors license. I passed first time so I have to highly recommend this book!Also a very useful reference for anyone that wants a better understanding of energy efficient practices.

good code book ????? i guess so, but i am required to have one and know what it means. oh well

This book was in excellent condition, and was very helpful in a professional exam that I had to take.
