Alexander Hamilton: From Orphan To Founding Father (Step Into Reading)

Synopsis

Fans of the Broadway musical *Hamilton* and American history lovers will want to share this illustrated biography of Alexander Hamilton with their young readers. Did you know that one of our Founding Fathers was not born in America? An orphan from the West Indies, Alexander Hamilton came to the colonies and played an important role in the Revolutionary War, rising to become General George Washington's right-hand man. But his accomplishments don't stop there! He helped obtain the ratification of the Constitution; he was America's first secretary of the treasury; and he established the first national bank and the U.S. Mint. A man of ambition, loyalty, and principle, he is now being celebrated as the prominent patriot he was. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics for children who are ready to read on their own.

Visit her at monicakulling.com. VALERIO FABBRETTI was born in Rome and studied illustration in San Francisco, where he is currently living and working as a character designer for Cartoon Network. Valerio has great passion for drawing, comic books, cereal, and spaghetti westerns. Visit him at valeriofabbretti.com.

My daughter was so excited to receive this in the mail today. She's obsessed with the Broadway show & had a lot of fun making connections between the song lyrics & the pages of this summarized biography.

My three granddaughters, ages 4 to 8, are into everything Hamilton thanks to the hit Broadway play and its music. This book brought even more awareness of Hamilton to their young minds, and was a resounding hit!

My 5.5 year old daughter is a Hamilton musical fanatic - she's only heard the music and it's taken her imagination by storm. This is a simple intro to who Hamilton was, for young kids. I couldn't find much else out there so this book is great!

So fun, now my elementary kids can jump in the Hamilton band wagon ;)

Great book for kids who want to know more about Hamilton. My son is really into the musical and this helped him understand the person a little better.

No, I won't add additional words to the star rating I have given above. It is redundant both to ask for such and to give it.

I gave this to my little cousin, who has memorized the Hamilton soundtrack, and he started reading it immediately.

Easy to read and my 6 year old loves it. He is a fan of the musical and this was a great brief story of

Secretary Hamilton's life.
