San Juan Islands: Including Victoria And The Gulf Islands (Moon San Juan Islands)

Synopsis

Since its creation in 1973, the award-winning Moon Handbooks series has become a top choice among travellers who want a completely unique experience, a new perspective-and a few new stories to tell. Want to know about your destination's history, culture, and social issues? Looking for the low-down on recreational opportunities, dining and accommodation options, and the most interesting regional sights and entertainment? No problem. Big or small, mainstream or obscure, every worthwhile detail is included in these books. Covering the Americas, Asia, and the Pacific, Moon Handbooks give you the tools to create a travel strategy that's yours alone. The result? A more personal, entirely uncommon, and ultimately more satisfying travel experience.
