Kiss Your Dentist Goodbye: A Do-It-Yourself Mouth Care System For Healthy, Clean Gums And Teeth

Synopsis

You brush, floss, use mouthwashes, and are concerned about the foods you eat, yet you still require fillings or lengthy cleanings at the dentist. In *Kiss Your Dentist Goodbye*, Dr. Ellie Phillips teaches how anyone can achieve and maintain a truly healthy mouth. Empower yourself as you improve the look and feel of your teeth between dental visits. Your dentist will be amazed at the changes he sees, and you will be thrilled as cavities and gum disease become a thing of the past. Traditional dentistry cannot prevent dental disease. But Ellie's do-it-yourself daily routine can. Discover how easy it is to reduce plaque buildup, strengthen tooth enamel, repair small cavities, eliminate tooth sensitivity, and improve your overall oral health. Learn about products that hinder your efforts and the risks of bleaching, dental sealants and the wrong use of fluoride. It is time to achieve healthy, clean teeth and gums and wow your dentist at the next appointment.

Customer Reviews

Dr. Ellie Phillips is a dentist specializing in preventive dental care. She has years of dental experience caring for geriatric patients, special needs children, and adults and the developmentally disabled. She was in private practice for many years, and particularly enjoyed working with the fearful and phobic. Dr. Ellie is a member of the American Dental Association, the New York State Dental Association and the American Academy of Pediatric Dentists. She is a graduate of Eastman Dental Center, Rochester, NY with qualifications in pediatric and general dentistry. She is an honorary member of the Eastman Academy, University of London, England. Recently Dr. Ellie was the pediatric outpatient clinic director at the Eastman Dental Center and a faculty member at the

University of Rochester. A mother of five, she currently lives with her husband in upstate New York.
