## Customer Reviews

Grade 3-5-Headaches describes why tension headaches and migraines hurt so much. There is advice on treatment and prevention and when to see the doctor. Lyme Disease explains ticks and the disease with information on treatment and prevention. In both books, full-color photos are relevant to the material presented, and the content is written in an easy, readable style. Technical words are highlighted in bold type. These titles are starting points for readers who want to know more about health issues that may affect them but who are not ready for specific technical information. Martha Gordon, formerly at South Salem Library, NY Copyright 2001 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.
