Cool Careers Without College For People Who Love Gaming

Synopsis

Written for passionate gamers hoping to turn their skills into a career immediately, this title prepares students for the realities of this competitive industry. Covering all facets of the gaming industry, including production and sales, it also looks into traditional gaming outside of the multimedia industry. With a particular focus on the practical challenges of breaking into the world of gaming and strategies to help students prepare for working in the field, it aims to provide a range of entry points.
