Useful information!

This is a wonderful little book. It has all the information one needs while in bear country, in a neat, compact size. The information is up-to-date, and well-written. Not only that, but there are lots of beautiful photos of both grizzly and black bears. Very well done. I highly recommend it.

Super readable! Going into bear back country this year and the book really provided great info.

Bottom line is pay attention and carry bear spray. Plus a lot of good tips and things to keep in mind. Quick to read and well worth the effort.
