Absolutely darling! tea parties are such fun with kids, cutting the sandwiches special shapes, making the kids feel big and important and yes, even teaching some manners along the way. This book is a huge hit, I highly recommend it.

Cute rhymes but my daughter wasn't into the book as much, maybe due to the colors.

Very well illustrated!

Perfect little book for a 1 year old to go with the Leap Frog Musical Rainbow Tea set! Loved it!!

Perfect. As described. Thank you!

Nice

Adorable book

I love the story, however, I didn't appreciate the condition of the book. I thought I was purchasing new at \$12.06, but I received a book with a "Goodwill" price tag of \$0.99 with a big black X across the label and onto the book. There was also indentations and scratches in the book with a small piece of the cover torn off. Certainly will not give as a gift, but keep in a box of toys when the kids come to play.
