This gift I had to read to the three year old I bought it for and the little genius read it back to me! Lovely book we had to go through each page carefully! He did not want to miss a thing and walked around all day SAVING THE DAY!

My 4 year old son is obsessed with cat boy. He is reading on his own so I was very excited to see him read about his fsvorite character on his own. Thanks for a great book to add to our collection.

While I very much dislike this show, this book was cute, and the lettering is very clear for kids who are just learning to read!! Happy with this book :)

Our grandson who is 4 loves PJ Mask. He plays with these in the car all the time. Nice size convenient to carry when traveling.

Super cheap book for my son who is currently on a PJ Masks kick. Bought it to go with the bath squirters.

Great book for PJ mask lovers! Very simple and short with colorful pictures, my 3yr old loves it

Sort of a stupid book. My three year old could have cared less about this story. The books pages are vibrant, but the construction of the book is poor.
