I Couldn't Love You More

Synopsis

In the same manner as touching picture books like bestsellers *Let Me Hold You Longer* and *Love You Forever*, *I Couldn't Love You More* tells a sweet, loving, yet powerful message: I couldn't love you more, but there is someone who does. Through the unique relationship of adorable animals, the book shares that Christ is always with you and he loves you more than you can imagine. This engaging picture book combines lovable and irresistible images with the lyrics from the song (co-written by Jason Ingram and Matt Hammitt). Matt is lead vocalist for Sanctus Real, a Grammy-nominated Christian rock band. The song is on Hammitt's latest album, *Every Fallen Tear*. When Matt and his wife, Sarah, were halfway through her pregnancy, they discovered their son would be born with Hypoplastic Left Heart Syndrome (HLHS), a rare congenital defect. Matt and Sarah's son, Bowen, was born on 9/9/10 and received a huge following through the Hammitt's blog (bowensheart.com), K-LOVE, and ABC News. A portion of the proceeds from the book goes to the foundation the Hammitts have started to help parents with children who have this heart condition.

I recently purchased this book. My favorite thing about this book is the colorful and cheery illustrations. My one-year-old daughter's face lights up as we point at the flowers, animals,

butterflies, leaves, bubbles etc. in the pictures and all the animals look so pleasant. For some reason she loves the picture with the bear yawning/stretching and she always wants to linger on that page and turn back to it. I also love the message that Jesus is always with my daughter and loves her more than I ever could. This book delivers a very important truths in a very straightforward way -- perfect for a young child. I gave the book a 4 star rating instead of a 5 star rating because the punctuation, or lack thereof, in the book is a little odd. Also, the book starts off abruptly with "In the night he is with you" so when I read it to my daughter I simply change the word 'he' to 'Jesus.' The first time I read the book I turned back to see if I skipped the first page. It's a little creepy for the first sentence to say "In the night he is with you" because a young child wouldn't really know who 'he' is intended to mean and if it's a good thing or a bad thing that 'he is with you.' :-) For me personally I think it can be difficult to find kids books that I am happy with both the text and the illustrations but this is a book that I am very satisfied with and enjoy reading with my daughter before bed.

A wonderful reminder to our children--and ourselves--that they are loved by us and even more loved by God.

I really love the message behind this book, but it fails to hold our daughter's attention well. It's not the best written book out there, but I do like that it enforces that Jesus loves us more than anyone else possibly could.

My youngest daughter lives across the country on a military base with her husband who is a Marine. I hate having two of my grandchildren so far away and send them new books whenever I find good ones. This one got great reviews and I was excited for them to receive it. I also purchased it for my two grandsons who live closer because one of them is a heart baby. They love it!

What a sweet book!!! Even better that proceeds go to Whole Hearts Foundation! Love the illustrations- great colors and our 2 yr old loves the story and already fills in the Jesus part!!

Very special book.

This is such a sweet book for a young one, can't wait to read this to my granddaughter! I love the illustrations too.

I couldn't like this book more. He did a great job writing this book. It is very true, no one loves you more than God. Such an encouraging book for when your little one may be going through a scary situation.
