Examples & Explanations: Legal Writing, Second Edition (Examples And Explanations)

Synopsis

A favorite among successful students, and often recommended by professors, the unique Examples & Explanations series gives you extremely clear introductions to concepts followed by realistic examples that mirror those presented in the classroom throughout the semester. Use at the beginning and midway through the semester to deepen your understanding through clear explanations, corresponding hypothetical fact patterns, and analysis. Then use to study for finals by reviewing the hypotheticals as well as the structure and reasoning behind the accompanying analysis. Designed to complement your casebook, the trusted Examples & Explanations titles get right to the point in a conversational, often humorous style that helps you learn the material each step of the way and prepare for the exam at the end of the course. The unique, time-tested Examples & Explanations series is invaluable to teach yourself the subject from the first day of class until your last review before the final. Each guide helps you learn new material by working through chapters that explain each topic in simple language challenges your understanding with hypotheticals similar to those presented in class provides valuable opportunity to study for the final by reviewing the hypotheticals as well as the structure and reasoning behind the corresponding analysis quickly gets to the point in conversational style laced with humor remains a favorite among law school students is often recommended by professors who encourage the use of study guides works with ALL the major casebooks, suits any class on a given topic provides an alternative perspective to help you understand your casebook and in-class lectures

Customer Reviews

I love this book! It is so helpful with lots of great questions and examples.

Very helpful in learning to do good legal writing. To me, the most helpful part was being able to compare examples of bad writing to examples of good writing, and see their explanation of what made one writing sample better than another. The instructions on how to do good legal writing are adequate or better, but I know another book that does that part better, called *A Lawyer Writes*, by Christine Coughlin and also available from . The two books together are better than any single book I have found. This book helps you get the basics, and *A Lawyer Writes* will then really help you polish your writing. If your teacher or your text book have you hopelessly confused, these two books will allow you to understand the basics and the big picture, as well as most of the details you need to do well, but every teacher and every court system will have a few details that are non-standard - and you absolutely must pay attention to any such special formats or terminology or whatever their detail of choice is. One court I have filed papers in requires three inches or more of blank space at the top of the cover sheet so that they can stamp in that area, for example.

Very helpful

like it!

I wouldn't say it's amazing but I wouldn't say it is bad.

I don't really like this series of texts
