The Words Of My Perfect Teacher, Revised Edition (Sacred Literature Series)

Synopsis

A favorite of Tibetans and of the Dalai Lama himself • The Words of My Perfect Teacher is a practical guide to the spiritual practices common to all Tibetan Buddhist traditions. It is the classic commentary on the preliminary practices of Longchen Nyingthig, a cycle of teachings of the Nyingmapa school. Patrul Rinpoche makes his subject accessible through a wealth of stories, quotations, and references to everyday life, giving the text all the life and atmosphere of a compelling oral teaching. This second, revised edition (of the book originally published by HarperSanFrancisco in 1994) is the result of a detailed and painstaking comparison of the original Tibetan text with the English translation by the Padmakara Translation Group. The new edition also includes translations of a postface to the text written a century ago for the first printed Tibetan edition by the first Jamgon Kongtrul Rinpoche, and a new preface by Dilgo Khyentse Rinpoche.

Customer Reviews

"For all teachings on all practices, whether preliminaries or main, this text is indispensable." • Dilgo Khyentse Rinpoche, author of Heart Treasure of the Enlightened Ones and The Wish Fulfilling Jewel

This book presents great detail on the attitude of the student to the guru, and devotes chapters to

the sufferings in the 6 realms, the 4 Thoughts that Turn the mind to dharma, as well as the 4 parts of the Ngondro practice. My teacher, in explaining how to practice Ngondro for the teachings he offers, referred again and again to this book for a detailed explanation. In my opinion, this is **not** a book for someone who has not taken refuge (i.e., who isn't a Buddhist) and a lot would not be applicable to a Buddhist who is not doing Ngondro. Since there are other books, similar to this one, that explain Ngondro practice, my guess is that a Buddhist student should buy the book recommended by his/her teacher. I am not a lama, just a student, so am not qualified to make this determination.

Having read a list of books on various traditions of Buddhism this helped me develop a much better understanding of the principles of the Varjayana method.

This is a Vajrayana classic. Every practitioner of every lineage should read it , as long as they are reading books.

This is the best book I heave ever read.

An outstanding read, well written and easy to understand. A must for any truth seeker!

Awesome book.arrived fast and in good packaging.my husband loved his birthday gift,thank you

Patrul Rinpoche's tried and true guide for clearing out the old wrong views and establishing a solid foundation to experience minds true nature. Thanks to all true Teachers for teaching us the Bodhi-Dharma!

Very clear and well explained
