Since in the past I've used a book of "one-rehearsal" Christmas plays, I guess I was expecting something like it in this book...going by the word "easy" in the title. However, the dramas would require quite a bit of memorization, and it is very difficult to get that level of commitment from children today. I went back to my original book for our Christmas program this year.

The Christmas Star: Easy Dramas, Speeches, and Recitations for Children The leader of our Children's Christmas Play is very pleased. The content of the book is just what she was looking for the age group participating. Thanks .
