Synopsis

Emilia They say love and hate are the same feelings experienced under different circumstances, and it's true. The man who comes to me in my dreams also haunts me in my nightmares. He is a brilliant lawyer. A skilled criminal. A beautiful liar. A bully and a savior, a monster and a lover. Ten years ago, he made me run away from the small town where we lived. Now, he came for me in New York, and he isn't leaving until he takes me with him. Vicious She is a starving artist. Pretty and evasive like cherry blossom. Ten years ago, she barged into my life unannounced and turned everything upside down. She paid the price. Emilia LeBlanc is completely off-limits, my best friend's ex-girlfriend. The woman who knows my darkest secret, and the daughter of the cheap help we hired to take care of our estate. That should deter me from chasing her, but it doesn't. So she hates me. Big deal. She better get used to me.

Well. I'm just going to come out and say this. I'm an a-hole. This is the first book I've read by L.J. Shen. Seriously. What. The. Heck?! Well, now I'm absolutely hooked. No going back now. I'm ADDICTED to her writing. This book was everything. I swear I am never getting over this story! Also. This book messed me up. It really did. But in the best way. It was hot, sexy, heart breaking and devastating. It also made me laugh, moan and rage. Vicious and Emilia's love story also got me right in all the feels. Every one of them. Sometimes I didn't know if I wanted to rub all up on my kindle or scream at it. What else could you want from a book? Nothing. Not a darn thing. I never

wanted this book to end. I'm missing Vic and Em so hard. I think I actually need rehab for this book. Commit me now. Vicious is an a-hole. But god help me. He's beautiful, mean, delicious and hilarious. And Jesus Christ I could not believe some of the things that came out of his mouth. It just made me want to devour him even more. God. I fell hard for this guy. I also adored Emilia! What a good, kind, quirky and amazing soul. The chemistry between these two was off the wall! Off. The. Wall. And when they finally got it on it was like an atomic bomb went off. I loved it! This story captivated me from page one all the way through to The End. I don't think I've ever highlighted a book so much. It's one of "those" books. One I know I will read over and over. It's different. It's raw. It's sexy. It's shocking. It's fun. And I simply could not get enough of Vicious. It's one of my top reads of 2016. What a way to end the year!

I have been eager to get my hands on VICIOUS ever since I read Defy (the Sinners of Saint prequel), and oh my gosh this book was so worth the wait and is more than I could have ever anticipated!! VICIOUS is my new #1 favorite a\$\$hole book boyfriend, he holds nothing back making you cringe and turning you on all at the same time and you never want him to stop! Emilia is unique, strong, and you admire her right from the start. Enemies to Lovers...heck yeah, can't get enough of the hate/lust/love banter and interaction, it's off the charts hot!! Vicious and his group the Four HotHoles are some of the hottest, toughest, crudest guys that take what they want when they want it, every guy wants to be them, every girl wants to have them but no one wants to be their enemy!! And when you get to the heart of this story, to the heart of Vicious your heart is gonna break and you're gonna be right beside Emilia cheering him on to be the vicious man he needs to be in order to fill his heart with the love he so deserves!! only just finished read this book this morning and I'm already craving more of these HotHoles and there stories, loved every Vicious part of this book!!!! Another top favorite of the year!!!

Started NYE afternoon, finished NY Day. I was nearing 90% and I already wanted to read it again. Fans have been waiting for Vicious for some time and LJ definitely delivered. Luv luv loved!!!!

i absolutely love this book.

Thank you L.J. When. I love all her books but I think this one was the best. Highly recommended. I loved all the characters. Vicious and Em are awesome

I don't even know what to say but to keep it short and simple it was wonderful!! Vicious was such a jerk sometimes that I wanted to strangle him myself but when the story behind it unfolds you begin to understand and love him even more. It was so good I couldn't put it down. LJ Shen is so fantastic. I love all her work you should definitely get this book you won't be disappointed

Vicious and Emilia have a tortured past. Her family came to work for his father and step-mother and he dubbed her "Help" when they were both seniors in high school. Vicious tormented Emilia and his friend, Dean, when they started dating. Vicious was an angry young man and was able to force Emilia to leave her family behind when she turned 18. 10 years later they meet by accident and Vicious is again trying to control Emilia's life by forcing her to meet his demands. Emilia is not in a financial position to fight him off long and finds herself drawn into his web again. After the things Vicious has said and done, Emilia still finds herself liking him more than she should. Vicious begins to pay for his actions and is surprised when he is willing to risk a lot in order to do right by Emilia. Emilia has been burned one too many times and does her best to protect her heart. I did like how Vicious plotted his revenge on those who did him wrong and waited patiently to effectuate it. I did not understand why he waited as long as he did, but it was interesting to see how his mind worked. Emilia discovers some of the secrets that Vicious has kept and does understand some of what drove him to be mean and vile to her. He does go above and beyond what he seemed capable of in order to prove his feelings for her are real. Did not quite get the dynamic between Dean and Vicious and it seemed like they didn't really like each other, each one going out of their way to emotionally damage the other. Will be interesting to see what happens to the next member of FHH.

I chose a five star rating because to me there is absolutely nothing wrong with this book. L.J. did an awesome job. Vic was such a dick but I fell in love with him more and more as the book progressed and Emilia was loveable from the beginning. I can not wait for book 2!
