If you have never looked inside a MapEasy Guidemap, you should. Our friends gave us one when we were traveling to Florence, and they circled all their favorite places. Since then, I have returned the favor and given many as gifts when friends and family are traveling to places that have a MapEasy Guidemap. Recently, we bought the Boston map for ourselves, and as usual we were very happy with it. It highlights historical places, restaurants, shopping areas, even Starbucks, and makes getting around very easy. The map is not strictly to scale, but that has never been an issue. It is just so nice to see actual places of interest on the map instead of having to just locate addresses.

Love these maps by MapEasy!!

I love the Map Easy guides, though they aren't always the best thing to rely on to find your way around. The pretty illustrations give you a nice preview of what you will see. Some of the landmarks pictured do help you get your bearings but some things are off the map, or the scale isn't right. I loved this though, as a souvenir to remember the wonderful places I saw in Boston. I have the guides for NYC, Seattle, London, Paris, and Chicago as well. It would be fun to paper a room with

these someday, as they are really charming.

I love these maps. They are easy to read, with different neighborhoods featured. Sturdy and you can mark on them. At times they may be a little outdated-business has gone out of business or moved, but over all great maps. Wish they would update more often and also have more selection.

There are several parts of the map.1. Out of Town and short adventures-an individual mapIt lists the distance to Vermont and its ski area, New Hampshire and the Lake Region, Maine, Freeport, home to L.L. Bean, Portsmouth, NH. It also introduces Concord, Emerson House and Old North Bridge, Walden Pond, Berkshires, Old Sturbridge Village, Providence, Rhode Island-Home to Brown University, Mystic Seaport, Newport, Rhode Island, once home to America's Cup Races. Cape Cod and Plymouth Plantation, etc. I like the way it lists both the adventure and related paintings.2. Harvard Square, CambridgeIncluding Harvard University, John F. Kennedy Park and Harvard Lampoon. This is a bigger map with a lot of restaurants and retail stores on it.3. Charles Street Map(from Beacon Street to Revere Street, and one block over.a lot of shopping and dining places. This is a small map4. Quincy Market, including Clinton St, Faneuil Hall and South Market St.detail map5. Massachusetts Ave, Newbury St. and Boylston St, Berkeley St.This is a detail map.6. Boston subway map7. Boston City map with Charles River, Back Bay, Beacon Hill, West End, Financial District, The North End, Boston Harbor, Chinatown. Large and detail map with streets and retailers, restaurants on it. I like it since the painter draws a lot of unique street scenes for symbolic buildings, gardens, etc...Love this map!

Love these maps. They are great for walking and finding landmarks.

I visited Boston for the first time back in 2005. I purchased MapEasy's Guidemap to Boston and found it to be very helpful. I am returning to Boston in fall of 2010 with two friends who have never been there. I bought them each a copy of the 2010 edition. They are equally impressed. Well worth \$7.95.
