Passionista: The Empowered Woman's Guide To Pleasuring A Man (Kerner)

Synopsis

Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest* so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest.

Not a lot of technique - but some. Something more useful though; an attempt to make women understand the male psyche in relation to sexuality better.

Book is very helpful to why men are the way they are and how to fight through those barriers....

this book help me to solving situation better. tks author

I really liked how this book discussed techniques and emotional presence. It was a very easy read. I will refer back to it for tips.

Ian Keller does it again! I love his attention to detail-not only when explaining physiology but also detailing the acts themselves

Factual, helpful, quick read, great results! My man was VERY happy when I finished the book and put my new knowledge to use! I recommend "She comes first" for men! Excellent information for both!

I learned a lot about the psyche of men and sex and there were some interesting tips and tricks said.

Great read! Lots of great advice and lessons in pleasuring a man. Learned a lot and will be very useful. Writing is easy reading and entertaining as well as educational. Will probably review again.
