Popular Greek Recipes

This is the go to cookbook of my mom - in it are the recipes she used to cook from - in fact, the latest edition has even more recipes - my son asks only one thing of me every year - that I make the galatobouriko for him from this cookbook - it is divine... as is the pasticho - I always use half and half instead of milk when I cook - and I figured out if I add some cumin powder, I can make my grandfather's pasticho:-) You can't go wrong with this cookbook -

This is a great cookbook! It is the perfect cookbook for a novice cook who wants to try cooking good Greek food. I gave one to my daughter-in-law for her birthday and kept one for myself. I have several greek cookbooks, but this one is the easiest to read and follow the wide selection of recipes.

I've been looking for this cook book for years! My mom always had it & we love the recipes (we're Greek, so that says a lot!)

Nice and clean copy: can't wait to try recipes.

Great book with wonderful authentic recipes.

One of my favorite cookbooks, I had a copy and loved it so I bought a copy to give as a gift.
