Customer Reviews

Good selection of contemporary praise songs, for a Level 2 player.

Good songs, easy to play, guitar chords are included.

My daughter is just finishing up Level 2 books, so this is a great book to have some slightly easier

songs for her and some slightly challenging songs. Plus, she loves to play songs that she can sing along to. This is the second Praise Hits book we've bought, and I'm sure we'll continue to buy them in higher levels as she continues on.

I bought this for my daughter who is getting back into piano. It is perfect for a late beginner or even an early intermediate. If you love contemporary worship songs, you'll love this book.

I love the songs and the ease of this music, however I have to agree that some of the arrangements were very poor. It is a mixed bag as far as I am concerned.

Love it. Nice collection. Only wish it was spiral bound.

Great!

I was not impressed with the arrangements of these songs. It was just okay.
