Customer Reviews

This book "Be A Prayer Warrior" is a God send, I use this book for morning devotion before I go into intercessory prayer and I use it in accordance to the days of the month. Each prayer is always in line with whatever event that might rise that day; just truly amazing.

I felt led to read this book. Once I started reading it God started showing me people to pray for for each declaration. The prayers were awesome; I couldn't put it down until I finished. To God be the glory. Get this book and pray it now!!!!

I have an Omvana app (excellent!!!) by Mindvalley that I used to record (I also purchased the Audible feature for .99 so that I could also listen to the book) some of the affirmations to meditative background sounds.

It is really very good book..It has helped me to realize in which areas in my life there is a lack and I

might need prayer..It has certainly helped me

I have been asking my Heavenly Father, to teach me how to pray and express in words and thoughts of how the Holy Spirit flows through my body to my eternal home. This book says everything I feel and I know in heart. He has been guiding me in my search for word this book is one of my many that help me to find what call in my mind the perfect piece to my puzzle. I have been so inspired even more as I continue the rest of my life to go to my eternal home. GOD BLESS YOU AND KEEP YOU AS YOU DO ME. I will get the others to complete my series I was share what inspired me and will hopefully be the same

This text is a vital practicum guidance after the and feeding on Scriptures for our wrestle against the devil who is real. Greater is HE inside me than he in the world roaming seeking who he may devour. The enemy hears our words. Punta.

I love the guided prayers. There were quite appropriate for daily use and were helpful in expanding my prayers as I aim to step up my prayer game. I am looking forward to using them again.

Perfect timing in bringing perspective to my faith for the new year. The power of each section really gets your mind, spirit and soul into deep gratitude.
