Jam Recipes: The Top 50 Most Delicious Jam Recipes (Recipe Top 50's Book 44)

Synopsis

Jam making is a traditional way to preserve fruits and vegetables. They are usually made from mashed fruit or vegetable to give flavor and tons of sugar or other sweeteners for the volume and texture. Jams are usually breakfast essential for those people who are always on the go. A sweet spread that gives energy to start a busy day. But jams are not anymore limited to spread on toasted breads but are now being used as cake and cupcake filling, ice cream toppings, pie and crepe filling and a lot more. Enjoy these 50 delicious jam recipes and just forget about the calories! Easy to follow steps! Each of the recipes has easy to follow steps allowing anyone to make and enjoy them in no time at all. Tried, Tested and SO GOOD! These recipes have all been tried out by us and we LOVE each and every one of them. So what are you waiting for?! Get to it and satisfy your jam cravings!

Customer Reviews

The abundant grammar mistakes, and missing instructions make these recipes nearly impossible to

complete. For example: The peach basil recipe tells you twice to cover part of the mixture and set aside, but it never once tells you for how long you need to do this. I recommend the book for the creative recipes, but recommend you already know how to make jam so the awful instructions won't be a problem for you.

It's good if you want more complex recipes, like strawberry balsamic jam or plum cinnamon, but short on the basics like strawberry, plum or peach jam. Some of the directions are confusing like "stir occasional the jam while removing from the heat," All in all, better for experienced jam makers than for newbies or novices.

I was very disappointed by this book. I'm sure that she has never read the recommendations for safe canning. Also the amounts that the recipes make are very scattered. Some have more ingredients than would fit into the jars. You can use all the recipes but please waterbath for safety and make sure you have enough jars sterilized for your entire recipe.

Some of these recipes were interesting, and I plan to try a few. However, the grammar and instructions in this ebook were absolutely awful. Who proofreads these?

It is what I expected it to be... 50 jam recipes that have directions on how to make them. and among its list is; chilli jam, sweet potato jam zucchini with pineapple jam and many more.it a cheap jam recipe digital book and I do recommend it.

The recipes are easy to read and follow.

Delicious! Fun to learn about all the different jams available.

Good read
