Customer Reviews

EXCELLENT poems. Fierce, powerful, lyrical. Can understand why this poet is still so famous. He deserves the recognition and reverence.

Oh, Neruda. I don't know what "it" is, but you've got it.

Neruda is the king of poets and the side-by-side translations are beautifully done

I'm a big fan.

I purchased this as a 'just because' gift in preparation for a year down in Chile. While I've enjoyed

Neruda over many years, this has been a wonderful way to begin to see this country with fresh eyes and ears. The edition is beautifully translated and will be a treasure in our family for a long time coming.

A basic great book of Neruda poems. Also recommend the book of love poems. The well-rounded individual (and lover) has read Pablo Neruda.

Excellent
