Television Can Blow Me 3: Blow Harder

Synopsis

This is the third *Television Can Blow Me*. It will probably be the last for a while and it is for the best because the world of television needs to catch its breath. The opening three book salvo has already been the greatest trilogy since *Three Colours*, *Naked Gun* or *Barrera-Morales*. With it, Aerial Telly establishes himself as the only television critic of any consequence and ensures that his name will live eternally while those of his peers – are forgotten the moment they are mentioned. Once again mental acuity, stylistic flair and ethical valour are his calling cards. He speaks real words while you bluster and splatter like the mushmouth calamity you are. His conviction is clear and unwavering while yours is a feather catching any thermal that will have it. He gets fly chicks hitting him up on his pager - you get busted broads turning you down and MAJOR. American TV? Handled. UK comedy? Owned. Subtitled foreign drama? Monopolised. Factual television? Åœpon lock. The motherloving Olympics? Made his girlfriend. If it happens on TV, he deals with it. There isn't a single thing he hasn't mastered, a single angle he hasn't covered, a single dame he hasn't macked. The past, present and future of TV in one e-book. That is the sum total of his extraordinary testament. You are fortunate indeed to be around while he is on this Earth. Å Die in your own faeces, you skunks. Aerial Telly has no peers.

Book Information

File Size: 588 KB

Print Length: 116 pages

Simultaneous Device Usage: Unlimited

Publication Date: January 7, 2014

Sold by: Digital Services LLC

Language: English
