Customer Reviews

This is meant for kids, I think, but I'm an adult learner and I like these simple exercises. They seem to be helping me anyway.

Great short exercise techniques for young students to build a strong foundation!!

Super helpful in strengthening my reluctant pinkie (4th finger). Only in Section 1 so far.

Great book

This is an excellent book to expand youner children's violin playing skill. My 8 years old is Very happy with this book. Very satisfied.

I only bought this because my daughter's violin teacher told me she needed it. The teacher really likes the technique and progression of the songs.

Fast shipping. Item was exactly as posted. Satisfied.
