Best Sellers Rank: #5,984,196 in Books (See Top 100 in Books) #78 in Books > Travel > United States > Tennessee > Memphis #103 in Books > Travel > United States > Tennessee > General #1249 in Books > Travel > United States > South > East South Central

Customer Reviews

For more than twenty years, the Insiders' Guide® series has been the essential source for in-depth travel and relocation information from true insiders whose personal, practical perspective gives you everything you need to know. From Peabody Place and the historic Orpheum Theater to AutoZone Park and an abundance of nearly year-round golf courses, Memphis is rich with cultural and recreational opportunities. This authoritative guide shows you how to navigate this friendly, welcoming city, from its historic downtown and midtown neighborhoods to its fast-growing suburbs. Inside you'll find: Countless details on how to live and thrive in the area, from the best shopping to the lowdown on real estate and schools; The inside scoop on popular attractions, such as Beale Street, the FedExForum, Gibson Guitar Factory, and even how to tour the city in a 1955 pink Cadillac; Comprehensive listings of restaurants, lodging, special events, and recreation opportunities; Sections dedicated to children and retirement

Rebecca Finlayson, an English professor at Rhodes College in Memphis, coauthored *Day Trips from Memphis* (Globe Pequot Press). She lives in Memphis with her husband, novelist Marshall

Boswell, and their two sons.

No walking tours or reviews of cultural sights. Long lists of chain hotels and restaurants that I can get from google. Section on how to move there. Not my idea of a travel guide

It was perfect for us!! Lots of good info.

"The Insider's Guide to Memphis" is a very handy and useful tool for exploring that amicable city. It is easy to read with a nice layout and eye-saving typeface. We thought we knew the major high points before arrival but thanks to this guide, we learned even more. In addition to Graceland and the Sun Records Studio, we were informed of the Rock and Soul Museum on Beale Street and the Stax Museum of American Soul Music on East McLemore Street. Stax is a bit off the well-worn music track but a visit is well worth the extra effort to get there. For non-musical activities, we were directed to Memphis Riverboats and even a friendly burgers and beer pub, Huey's - right across the street from the eminent Peabody Hotel. Like the Stax, the extra effort and expense to stay at the Peabody should also be worth it. (This reviewer acknowledges that he let personal-but well intentioned-opinions sneak into a book review). Anyone planning a trip to Memphis should make this guide their companion.

Took a trip to Memphis recently and wanted to see more than just Elvis and Beale St. This guide was my ticket to doing so. I found it very helpful, easy to read, and full of great information I could have never otherwise found. It's like having a friend in the city!

Very informative.
