The Norton Sampler: Short Essays For Composition (Eighth Edition)

Synopsis

A trusted collection of short essays arranged by rhetorical mode with charming, practical writing instruction. With 71 readings (half new to this edition), well-written writing instruction (including templates to help students get started), and new navigation features that make it very easy to use, The Norton Sampler is a rhetorically arranged reader that practices what it preaches about good writing.

Customer Reviews

Thomas Cooley (PhD, Indiana University) is professor of English at The Ohio State University. In addition to *Back to the Lake*, he is the editor of *The Norton Sampler*, *The Norton Critical Edition of Adventures of Huckleberry Finn* and the author of several other books, among them *Educated Lives: The Rise of Modern Autobiography in America* and *The Ivory Leg in the Ebony Cabinet: Madness, Race, and Gender in Victorian America*.

Bought it for an English class. Was a decent book though and wouldn't mind reading it even if I wasn't taking the class. I would recommend this to a friend.

Needed this for class, wasn't something I would've purchased otherwise. It's a good book. Only thing I don't like is the pages are made of a very very thin, almost tissue paper like material.

Very good

excellent book and exactly what my English 28 professor (M. Voorhis), Los Angeles mission college, looks for.

inexpensive and just perfect for college. I rented the electronic book for my Kindle. Made my life a little easier and my backpack a lot less lighter

good

Awesome book helped me in college a lot and the rental process was very quick. Book teaches you a lot. Even if you hate textbooks this is one you have to read it is very interesting then your average textbooks.

Very helpful..
