Customer Reviews

I found the guide to be of much greater value than I had anticipated. There is a wealth of information about Sydney. The eguide contains a nice balance of historical fact and current information. Great background reading for intending travellers and handy to have at your finger tips so you can refresh your memory as you arrive. I recommend this eguide for anyone contemplating a visit to Sydney.

Good basic review if you are only spending a few days at Sydney. Seems well written and clear so would recommend it
