Enjoyable small photo book that gives a brief description of Peru, the Incas, the Nascas and other groups in Peru with emphasis of the time of the Spanish conquest. It is too small of a book to go into great details, but gives wonderful oversight and ends with a section of historic letters from the 1500’s up to Hiram Bingham’s rediscovery of Manchu Pichu. Excellent photos. 4x6, so it is a small book, but good for an overview. This was helpful in preparing me for a trip to Peru.

great book

I wanted to learn history and culture of Inca before I traveled to Peru, but I was desperately busy. This is the only book I completely finished before I left USA, and it was really helpful. When I visited many places, I actually knew a lot more than other visitors.I highly recommend this book before your trip to Peru.

interesting

A gift for a friend

good deal

Couldn’t get into it. Wanted to know more about the people and civilization not the wars.

Nice book .priced right.
