Puntos (Student Edition) Standalone Book

Synopsis

NOTE: This Item does not contain access code along with it. It's more than a text.

It's a program. Success in the language classroom requires so much more than just a text.

In any language-learning setting, students require numerous and various opportunities to read,

write, hear, and speak. Puntos de partida sets the standard for Spanish-language teaching. An

innovative program that has been continuously refined for today's classroom, Puntos

delivers proven pedagogy with clear and effective presentations, comprehensive teaching

resources, and powerfully adaptive digital tools. Now in its anniversary Tenth Edition, Puntos builds

on the holistic, five-skills approach it pioneered. It's the Puntos you know. It's the

Puntos of today.

General Linguistics from Cornell University in 1988. Her professional interests include second

language acquisition and the integration of cultural competence and technology in language teachingAnne Becher received her M.A. in Hispanic Linguistics in 1992 from the University of Colorado, Boulder, where she coordinates Beginning Spanish and teaches pedagogy and methods courses for the Department of Spanish and Portuguese. She has taught beginning through advanced levels of Spanish since 1996, including several years teaching Modified Spanish classes for students with difficulty learning languages.

My order came unsealed and did not come with a connect code. Do not order expecting a connect code. Don't waste your time or money. More money wasted.

NO ACCESS CODE. Paid over \$200 for a book with no access code. Returning immediately.

so repetitivethis book is garbage

This book has no structure at all. Everything is all over the place and sucks.

"Book does not come with registration code" If you are looking for a cheap book don't buy you'll screw your self if you need connect or learn smart

This is the best place to order book if u in college because they are super cheap and you can keep them until you are done with the class

Did not come sealed and did not have the key code!! This is why I boughtThis edition!!

Whenever i use this book. I am in spanish class. Esto me entristece.
