Powerful Prayers In The War Room: Learning To Pray Like A Powerful Prayer Warrior (Spiritual Battle Plan For Prayer) (Volume 1)

Synopsis

I WANTED TO BE A PRAYER WARRIOR BUT I DIDN'T KNOW HOW

Christians, we often struggle to find the words to speak in the presence of God Almighty. Praying to God may feel foreign or like a ritual, and adding to that frustration, we worry that God isn't listening. Even if He hears, will He reply? This book will show you that God not only listens but also answers. He is waiting to provide an outpouring of blessings, if only you will ask Him. God wants you to be a prayer warrior and will help you. Author Dan Lancaster was struck by the power of the prayers answered during his time as an international missionary in Southeast Asia. These answered prayers brought glory to God and helped advance His Kingdom on Earth. THOSE are the types of prayers we need in the world, and that is the direction this book will guide you. Prayer was never intended to be complicated. The truth is that Jesus showed His disciples how to pray and He wants to show you how to pray too. The author brings 40 years of his personal experience to the pages of this book, but most importantly, he looks to the Word to unearth what Jesus prayed about and how. With beautiful simplicity, Dr. Lancaster offers tangible methods to reshape your prayer life beginning today. By opening your heart to these actionable techniques, you will begin to experience the true power of prayer in your relationship with God, in your community, and in ways you could never have imagined. I recently discovered the power of prayer when my mom was in the hospital. She went in for a routine surgery, but experienced some post complications which landed her back in the hospital. We live a long distance from one another, and I was worried as I spoke to her over the phone. She assured me that she was going to be okay, but asked that I pray for her. I began to pray right then and there. I remember telling my mom wow. I didn't know that I could pray like that. She chuckled and responded that when you speak from your heart, it's not that hard. I decided to get *Powerful Prayers in the War Room, Learning to Pray Like a Powerful Prayer Warrior* to learn more about the mystery behind prayer. Author Daniel B. Lancaster uncovers this and much more, ushering readers through potent prayer topics, exploring ways that God answers prayer, navigating through prayer strategies, and tips to improve upon your prayer life. Examples of prayer are provided for those who may not know where to start, and the prayer type is fully explained. What I liked the most about this book will probably make this read a favorite of yours as well; the overall theme is the takeaway, and its aim is to bring you closer to God. I highly recommend.

I grew up in church but like many others, I walked away as a young adult determined to live life on my terms. Turns out my terms kind of stunk but I was too proud to admit it. I finally came back to church about fifteen years ago and have a much deeper relationship with God than I ever knew possible as a young person. I believe in, have witnessed and personally experienced the power of prayer. However, I have struggled to go deeper in my own prayer life. *Powerful Prayers in the War Room* by Daniel Lancaster has given me a step-by-step guide to a deeper, more powerful prayer life. The basic principles, tips and strategies laid out in this little book are invaluable. I have read a few books on prayer over the years and it seems as though most make it more complicated than it really should be, which is neither helpful nor encouraging for the believer struggling with his/her prayer life. Additionally, most believers know that the Lord's Prayer is the example Jesus gave us of how to pray, but like many believers, I can honestly say that I have never taken the time to study and understand it. Lancaster's years of study, missionary work, and pastoring have led to a simple, user-friendly guide to a more powerful prayer life. He has taken the Lord's Prayer and other simple examples of Jesus praying in the Bible and given readers four weapons of prayer, seven powerful prayer topics (taken directly from the Lord's Prayer), outlined four ways in which God answers prayer, three war room prayer strategies and nine tips to improve one's prayer life all in one forty-six page book! In addition to this little book being a valuable and

very usable tool, Lancaster's writing style is fluid and easy to read. His examples and stories are relatable and do an excellent job of illustrating his points. In fact, after reading this book for free via the Kindle Unlimited program, I decided I needed to be sure I always had a copy available to me, so I purchased it. I will not only be referring to this book regularly as I put the recommendations and tips into practice, I will also be recommending it to friends and family whom I know are struggling as well.

I have been a Christian for more than a decade now and one of the "struggles" I honestly faced early on is how to pray. Maybe several of you will laugh or smirk at that but truth be told, many of us still don't know how to pray correctly, may it be a new Christian or an old one. This book will guide each one of us how to effectively talk to our Lord through points and samples taken biblically. We all know that prayer is a heart to heart talk with God, but let this book point out several things we may not know or remind us again of what we already knew but forgotten. Life changing guide!

Melvina~This email breaks my heart. I have prayed and will continue. We do not have her name. He refers to her as his wife on the back of the book. This prayer request goes up on my bathroom door frame. See you Wed. Donna Hubbard Every knee will bow . . . > From: gzgaston@aol.com> Subject: Letter from Daniel B. Lancaster> Date: Mon, 29 Feb 2016 19:08:10 -0800> To: donnahubba@msn.com>> Hi Donna,> just today I received an email from the author of "Powerful Prayers in the War Room", Daniel B Lancaster. Remember the little booklet I gave you? He is asking prayers for his wife who has ovarian cancer. We don't know him personally but since we all belong to one body, I believe God impressed in him to ask prayer reinforcement from us. And God is giving us a burden to pray also for those who bless us with their writings.> So we are Christ's ambassadors; God is making His appeal through us. We speak for Christ when we plead, "Come back to God." (2Corinthians 5:20)>> Here's his letter:>> Hi Melvina,>> Praying today finds you blessed and your prayer life stronger. I have been blessed by so many of the reviews on and wanted to say thank you again.>> A friend today encouraged me to write you and ask for your war room prayers> for my wife. She was diagnosed with ovarian cancer three months after we left the mission field. Satan just doesn't play fair.>> This is the most difficult spiritual battle I have ever fought, and I could use some reinforcements! So, as God leads, please lift a prayer up for our family in our fight (and victory) against cancer.>> Blessings and peace,> Dan>>> P.S. In the midst of our struggle, God continues to bless the "Prayers in the War Room" book. Shortly, our publisher will be releasing it in Portuguese and Spanish, so if you have friends who speak those languages, be sure

to let them know.>> Thank you Donna.>>> Sent from my iPad
