The Puppy Place #5: Buddy

Synopsis

Welcome to the Puppy Place--where every puppy finds a home! Charles and Lizzie Peterson are very good with puppies. They want one of their own, but their mom has never been ready for them to have one full time. For now, they help take care of puppies that need to find a new home. Lizzie helps out at the local dog shelter and the shelter's newest arrival, Skipper, has a surprise: three newborn puppies! The Petersons decide to foster all four dogs. Will they be able to find just the right home for all of them and can Mrs. Peterson resist even these adorable pups?

Ellen Miles loves dogs, which is why she has a great time writing Puppy Place books. And guess what? She loves cats, too! That's why she came up with a brand-new series called Kitty Corner. Ellen lives in Vermont and loves to be outdoors every day, walking, biking, skiing, or swimming, depending on the season. She also loves to read, cook, explore her beautiful state, play with dogs, and hang out with friends and family. Visit her web site at www.EllenMiles.net.
