Customer Reviews

This version is a cute story, but the ending is a little pompous...."the ugly duckling ruffled his beautiful white feathers, turned, and proudly paddled away." (from his duck mom and siblings) I would have preferred something a little more humble and gracious. The illustrations were beautiful though! I was planning to give it to a friend for a baby shower gift, but decided on another story.

This was a pretty good version of the book. Likes:-The mama duck DOES in fact love the ugly duckling and does not kick him out, as in the original version-Pretty visuals-Variety of animals for the kids: Involvement of different (judgmental) animals on the farm-Modern and more kid friendly tale of this classic. Criticisms:-I wish the Ugly duckling and his old duck mama and siblings had a moment of reunion (besides just a glance across the pond) at the end. Kinda sad. Overall, cute book!

Didn't meet my expectations. This is not the same story I was told as a child.

This was purchased for our pre-school class. The book was just as described and arrived very quickly. Thank You!

A must have book to read with your infant. We also like the board style books.

A classic, timeless tale my kids never tire of.

Adorable and bright pictures.

A classic book and my children love it! It came really quick with Prime even though we live in Hawaii.
