Degas: 16 Art Stickers (Dover Art Stickers)

Synopsis

This splendid collection of artworks in miniature spotlights the talents of one of the most important and popular French artists of the 19th century. Sixteen of Edgar Degas's most famous paintings, appearing here in sticker format, include *The Dance Examination*, *After the Bath*, *Ballet Dancers on the Stage*, *Singer with a Glove*, *L'Absinthe*, and 11 others. Perfect for enhancing stationery items or simply adding to a personal collection, these stunning reproductions will delight lovers of fine art and admirers of works by this major Impressionist.

Customer Reviews

Portraits of Degas' early career and details on his works use the Art Institute's extensive Degas holdings to provide visual embellishment. Expect a title light on discussion and heavy on visual images, with Boggs tracing patterns of experimentation and innovation which were key Degas contributions. -- Midwest Book Review --This text refers to an out of print or unavailable edition of this title.

Great quality

Exactly as expected.

Good gift!

Quick delivery of a book in good condition, as advertised. I've long wanted this comprehensive book on Degas and his work and am looking forward to reading parts of it before forthcoming Degas-Cassatt exhibit at NGA.

Much smaller than expected. I thought the stickers would have the size of the booklet, every little page has 4. But I love them. No regrets at all!

Love it. But it is what it is, very limited. Degas is perhaps the greatest artist of the impressionists, but that is only my opinion because the movement was so spectacular.

These stickers are great for elementary art teachers who want to give students a small motivator without resorting to candy and sweets. I ordered about 10 different books, since I teach many classes, to give them immediate access to masterpieces of art and as a link to artists we have studied. My only disappointment was that there is not even one single book of art by African-American artists - not even Henry O. Tanner, who is very well-known. As someone who has witnessed the huge range and volume of artwork produced by Black Americans, during the Harlem Renaissance and throughout the ages, and currently, It's hard to explain how disappointed I am in Dover Publishers, a company whose books and resources I've used throughout my teaching career.

I love Impressionist art, and Degas is, of course, one of the best. Enjoyed reading about what inspired him as well as seeing his extraordinary works reproduced so beautifully in this affordable compendium.
