Bordeaux Travel Guide: Sightseeing, Hotel, Restaurant & Shopping Highlights

Synopsis

The French wine region of Bordeaux evokes a rich sensory experience with many. Prepare to experience the regions rich red wines, inhale their rich bouquets and experience the aromas with their seductive refinement. There is, however, more to Bordeaux than just vineyards. At the heart of the region, lies its capital. Bordeaux can be called a city that wine built and it reflects the elegant and exquisitely beautiful inheritance of wine through its art, its architecture and its love of the good things in life.

Average Customer Review: 2.1 out of 5 stars 7 customer reviews

Best Sellers Rank: #2,272,270 in Books (See Top 100 in Books) #46 in [Books > Travel > Europe > France > Bordeaux](#) #2939 in [Books > Travel > Europe > France > General](#)

Customer Reviews

The book was extremely brief. Misspelled Lafite-Rothchild - used Latife rather than Lafite - twice. Not a good reference in my opinion. The book is very superficial.

Not much to read that wasn't on the Internet. Did appreciate the brief history of the area.

The book provides good information in a quick read format that allows one to decide if this region is to be part of our travel plans.

A lot of info. Am planning a trip in April and this book seems to provide good background for an area new to me.

Toooooooo small of print to be useful

Save your money and visit Wikipedia for same information for free! It's like reading a fifth grader's book report, little to no original thought and including many typographical errors. I see no good reason to own this book.

There is not a lot of detailed information in this book. It is really just a brochure like overview of the region.
